

Dr. Mahito Watanabe

the UNESCO Global Geoparks Council
the Global Geoparks Network (GGN)
the Japanese Geoparks Network, Japan

Dr. Mahito Watanabe is a geologist and paleontologist working for Geogical Survey of Japan. He has been involved in Geopark related activities since 2005 and he is one of the founders of the Japan Geopark Committee (JGC), which was established in 2008. He was the JGC secretary from 2008 to 2015 and is currently a committee member. He took the lead with the creation of the Japanese Geoparks Network (JGN) in 2009 and has been an adviser of JGN since then. He is a member of the UNESCO Global Geoparks Council since 2016, a member of the Executive Board of the Global Geoparks Network (GGN) since 2016.
