

# IBD2019

## International Conference on Biodiversity (IBD2019)

22-24 May 2019

Centara Grand & Bangkok Convention Centre at CentralWorld, Bangkok

Draft program

<b>Wednesday 22 May 2019</b>	
<b>Parallel Session 5</b>	
<b>From biodiversity to natural products for drug discovery</b>	
<b>Chair:</b>	Dr. Monthaka Teerachaisakul, Department of Thai Traditional and Alternative Medicine, Thailand
<b>Co-Chair:</b>	Dr. Paripok Phitsuwan, Division of Biochemical Technology, School of Bioresources and Technology, King Mongkut's University of Technology Thonburi, Thailand
<b>Part I : Biodiversity</b>	
14.00 – 14.30	<b>Thailand's fungal diversity and applied potential</b> By Emeritus Prof. Dr. Kevin David Hyde Mae Fah Luang University, Thailand
14.30 – 15.00	<b>Transforming <i>in situ</i> biodiversity observation into digital atlas and conservation implication in Thailand</b> By Prof. Dr. Yongyut Trisurat Kasetsart University, Thailand
15.00 – 15.30	<b>Diversity of yeasts in the surface of rice leaves and biocontrol activity against fungal pathogens of rice plant</b> By Prof. Dr. Savitree Limtong Kasetsart University, Thailand
15.30 – 15.45	Coffee Break
<b>Part II: Natural Products</b>	
15.45 – 16.15	<b>Translational research of selected plant in Zingiberaceae</b> By Prof. Dr. Bungorn Sripanidkulchai Khon Kaen University, Thailand
16.15 – 16.45	<b>Plant-derived natural products as source materials for commercial utilization</b> By Prof. Dr. Supayang P. Voravuthikunchai Prince of Songkla University, Thailand
16.45 – 17.15	<b>Identification of potential drug candidates from plants and microorganisms in Thailand</b> By Assoc. Prof. Dr. Chatchai Muanprasat Mahidol University, Thailand
